

A vibrant garnet / purple color, this wine continues to allow me to create a wine from all the vineyards that we work with and to make some magic a la Smoke & Mirrors. Black cherry, raspberry and wild strawberry with a touch of anise and chocolate covered maraschino cherries.

The palate is full and sweet with flavors that echo the aromas. This wine reminds me of a Côte du Rhône from the South of France.

40% Whole cluster fermentation, aged for 12 months in all neutral French oak 350 to 600 liter barrels, a 600 gallon Foudre and a 600 gallon concrete tank. Drink 2020 - 2028.

"Coming all from Sonoma County, the 2017 Smoke & Mirrors is always a good value, and this vintage is no exception. Lots of bright blueberry and plummy fruits give way to a medium-bodied, nicely textured wine that has plenty of peppery herbs and incense aromatics, good acidity, and a clean, lengthy finish."
