Coming from two separate blocks, one which produces wines of elegance and finesse and the other of intensity and depth. The vineyard, located at 2000 ft elevation, has soils of clay, loam and granite quartz. Named for my youngest daughter, and as she has grown and matured, so have the blocks of the vineyard. Each are in their teenage years and both need guidance and direction. Together they provide a true harmonious, textural experience both in flavors and aromas that are fresh, vibrant, deep and always intriguing, just like my daughter Haley.

40% Whole cluster fermentation aged for 18 months in 80% new French 228L and 500L oak barrels. Drink 2020 - 2040.

"Deep purple color is followed by a great bouquet of blueberries, iron, crushed rocks, ground pepper, and hints of smoked game. Structured and tannic on the palate, it reminds me of a young Cornas and needs 4-5 years of bottle age. It's seriously impressive,"
