

The Landy Sweetwater Springs Vineyard, planted from the St. Peter's Church Selection, is a gorgeous site ranging from 300 to 1000 ft. elevation. Jeff has been sourcing from this vineyard since 2007. The Zinfandel that grows here is dark and rich, as the rocky and sloping hillsides force the fruit to dig deep for nutrients, while the well drained soil brings a mineral backbone to the wine.

A vibrant, saturated cherry red color, with a perfumed aromas of dried cranberry/Bing cherries/wild raspberry, with wisps of salted licorice, toasted black sesame seeds. The palate is seductively ripe round and supple, with flavors that echo its aromatics, but with the savory components as the lead that flows into a wine that showcases the intensity and richness that only this steep hillside can create.

20% whole cluster fermentation, 30% new French oak 228 to 350L barrels, and a 275 gallon 'Hippo' shaped concrete tank.  
Drink 2020 - 2028.

## 2017 Sweetwater Springs Vineyard

*Isabel*

Russian River Valley

100% Sustainably Farmed Zinfandel

15.2% Alc

**JEB DUNNUCK 95**

"A classic Zinfandel loaded with blue fruits, flowery incense, white pepper, and cedary spice aromas and flavors. It has a seamless texture, light tannins, beautiful balance, and a great finish."
