

Some fly, he soared! This is written on our back label as a special tribute to my friend Ulises Valdez, whom we lost way to soon. This Syrah comes from his family's estate vineyard, and it really is the tribute to his skills and magic as a viticulturist.

An exotic, black cherry/ dark purple color, that entices you to the mind-blowing aromatics that have more twists than a great mystery novel. Black cherry pie filling, roasted herbs and fennel seed, dried meats with a touch of freshly crushed red and black pepper corns, with a subtle dusty component that is so Silver Eagle Vineyard. An explosive forward palate that makes my jaw drop each time I taste it. The mid palate is loaded with all kinds of savory components that weave in and out of the black cherry, iron, and baking spices and take you to a never-ending finish.

60% Whole cluster fermentation, aged for 18 months in 40% new French oak 300 - 500 liter barrels. Drink 2022 - 2040.

## JEB DUNNUCK 97

"From the Russian River, the 2018 Syrah Silver Eagle Vineyard is another rich, powerful wine from Cohn that stays graceful and balanced. Lots of smoked black and blue fruits, cured meats, graphite, and spice notes all soar from the glass, and this beauty is full-bodied, with a killer mid-palate, lots of ripe, polished tannins, and a great, great finish. Drink this Hermitage look-alike over the coming 10-15 years."
