

The vines were originally planted in the 1880's with Zinfandel and mixed blacks that circled the vineyard with the thought that it would protect the valuable Zinfandel in the center. At 500 ft. elevation with alluvial, loamy and clay soils this Zinfandel is unique. The loam adds life to the wine, while the clay adds richness and mouthfeel. Jeff says this vineyard is "magic."

Garnet cherry red with black fruit, briary notes, black cherry, fennel and cinnamon stick with freshly crushed red pepper corns. This wine will take you to the edge of over-the-top richness on the palate, but never becomes heavy. Just a floor show of black and blue fruits with wild raspberry that weaves in and out and a touch of warm brioche and pain au chocolate.

20% whole cluster fermentation, aged for 18 months in 20% new French oak 228L and 350L barrels. Drink 2022 - 2028.

2018 St. Peter's Church Vineyard

Alexander Valley AVA

100% Organic Zinfandel

15.5% Alc

"The 2018 Zinfandel St. Peter's Church Vineyard was made with 20% whole cluster and aged 18 months in 20% new French oak. It has a medium ruby-purple color and a nose of wild black and red berries, tobacco leaves, earth and graphite. The medium-bodied palate is brighter than expected, with juicy berry fruits and earthy accents."
