

The Landy Sweetwater Springs Vineyard ranges from 300 to 1000 ft. elevation with well drained soils that bring a mineral backbone to the wine. Grown from the Home Ranch Selection (Old Seghesio Selection) the berries are small and intense.

A touch of a cooler year in the Russian River has provided us with a Petite Sirah that, reminds me more of blend of Cornas and Côte Rôtie. Its purple, black color has hints of dark ruby on the rim. If you're into blackberry pie filling in a perfectly baked pie shell, this wine is for you. Mixed in are subtle hints of dried apricots and peaches and savory notes that adds an extra dimension to the aromatics. A full-bodied wine with a sweet silky mouthfeel and just enough minerality and structure to carry this wine. The flavors are true reflection of the aromatics with a touch of Australian black licorice weaving through the wine from the midpalate to the lengthy finish.

100% De-stemmed fermentation, aged for 18 months in 100% new French oak 600 liter barrels. Drink 2022 - 2050.

2018 Sweetwater Springs Vineyard

100% Sustainably Farmed Petite Sirah

Russian River Valley

15.0% Alc

"The 2018 Petite Sirah Sweetwater Springs Vineyard has an opaque ruby color and broody, seductive aromas of cassis and purple flowers, with notes of cast iron and cedar. The palate is full-bodied with surprising freshness and elegance for a 100% Petite Sirah, and it finishes with mineral and floral perfume."
