

Domaine des Chirats, translated in old French to 'home of the pile of rocks', is a collaboration between Jeff Cohn and Yves Cuilleron of the Northern Rhône, France since 2013.

A dense purple color, with aromatics that remind me of a well-seasoned flank steak cooked on an extremely hot white-coal grill and served rare with amazing grill marks. On the palate the wine is focused on savory notes with loads black and red fruits, freshly ground white pepper, pan fried thick cut bacon, and very floral. As rich and powerful as this wine is, it continues to stay light on its feet.

30% whole cluster fermentation, aged for 18 months in 30% new French oak barrels.

2019 Domaine des Chirats

Rockpile Vineyard

Rockpile AVA

100% Syrah

15.2% Alc

JEB DUNNUCK 95

The 2019 Syrah Domaine des Chirats comes from the Rockpile Vineyard and has very soft floral aromas of lavender, baked earth, and sweet smoke. The palate is ripe and inviting, with boysenberry and turned earth, and the wine displays a building structure on the finish that would welcome another year or two in bottle before drinking. Drink 2023-2032.
