

The vines were originally planted in the 1880's with Zinfandel and mixed blacks that circled the vineyard with the thought that it would protect the valuable Zinfandel in the center. At 500 ft. elevation with alluvial, loamy and clay soils this Zinfandel is unique. The loam adds life to the wine, while the clay adds richness and mouthfeel. Jeff says this vineyard is "magic."

A deep garnet/ruby red color. Black cherry and raspberry are the initial aromas but are intertwined with a touch of black licorice and savory notes. On the palate it has an intensity, a pureness, and a richness to it that makes this wine truly an experience. Black cherry, cracked white peppercorn, and savory components that take this wine from the full front and mid-palate to pinpoint finish.

20% whole cluster fermentation, aged for 18 months in 20% new French oak 228L and 350L barrels. Drink 2023 - 2029.

2019 St. Peter's Church Vineyard

Alexander Valley AVA

100% Organic Zinfandel

15.5% Alc

Wine Spectator 93

Powerfully built yet retains style and expression, with slightly rustic blackberry, licorice and dusky spice flavors that intensify toward medium-grained tannins.
